www.ipcmclean.org

Who We Are:

Immanuel means “God with us” and we seek to embody God’s love in the world through worship, service, education, and community. We work to enlarge our faith and, through faith, meet the challenges of the day, trusting in the grace of God and learning from the example and teachings of Jesus Christ. Here we enjoy and cultivate an engaging, relevant, and thoughtful approach to God and life, an intimate, caring congregation with hands-on community service, music that stirs your soul, and inspiring and thought-provoking spirituality and learning programs.

Immanuel’s vibrant music program has established a history of diversity and excellence in our traditional morning service, contemporary evening service, and special music presentations. Our volunteer choirs and ensembles, as well as occasional guest musicians, continue to connect us to the divine, illuminate the scripture lesson, amplify the message being presented by our Pastors, and bring us joy. For more information about the church’s ensembles please visit the [IPC website](#).
