

## **Music Director Position for Dreisbach United Church of Christ**

Dreisbach United Church of Christ is in the heart of the Buffalo Valley, between Lewisburg and Mifflinburg. Dreisbach was founded in 1788 and is the oldest continuous church body in Union County. We have a small adult choir, a bell choir and a praise band that participate in the music ministries of the church. Dreisbach averages 55 people in worship attendance on a weekly basis.

The Dreisbach congregation enjoys a diverse collection of music selections in its worship life. Our worship is a blended type with both contemporary and traditional elements. We worship at 9:15 a.m. on Sunday mornings. There are many special services throughout the year in which the Music Director services and leadership may be required. Dreisbach has an Allen digital organ that was installed in 1997. It has 2 manuals, a midi system and a recording system. Dreisbach also has a 3 octave Malmark hand bell set that our bell choir utilizes.

We are looking for someone who can work approximately 3 - 6 hours per week, lead and direct the adult choir in worship, lead the praise band, pick choir and praise band music, schedule rehearsals, schedule special music participants, foster music participation in other ways in the life of the congregation with special music or ensembles that create life and meaning in the worship, lead and direct the bell choir as skills allow, and must have required public available clearances and background checks.

The Music Director is an hourly position based on education and years of experience, and is accountable to the church consistory. There are no other benefits.
