

Organ and Piano Accompanist Position for Dreisbach United Church of Christ

Dreisbach United Church of Christ is in the heart of the Buffalo Valley, between Lewisburg and Mifflinburg. Dreisbach was founded in 1788 and is the oldest continuous church body in Union County. We have a small adult choir, a bell choir and a praise band that participate in the music ministries of the church. Dreisbach averages 55 people in worship attendance on a weekly basis.

The Dreisbach congregation enjoys a diverse collection of music selections in its worship life. Our worship is a blended type with both contemporary and traditional elements. We worship at 9:15 a.m. on Sunday mornings. There are many special services throughout the year in which the Organist may be required. Dreisbach has an Allen digital organ that was installed in 1997. It has 2 manuals, a midi system and a recording system.

We are looking for someone who can work approximately 3 – 5 hours per week, pick music along with the Music Director and Pastor, report organ or piano tuning and repair needs to consistory, and must have required public available clearances and background checks.

The Organist is an hourly position based on education and years of experience. There are no other benefits.

Qualified applicants should send their resume, cover letter and reference to: Dreisbach United Church of Christ, 875 Dreisbach Church Road, Lewisburg, PA 17837, or email to pam_adminsec@dreisbachucc.org.

If applicant has ability to also perform as Music Director, they may apply for both positions.
